

Golden West Security Named ‘Best of Security’ 2nd Year in a Row

Golden West Security, Inc., a leading provider of residential and commercial security services in North LA County and Santa Clarita Valley since 1969, was named Santa Clarita Valley’s ‘2016 Best of Security’ for the 2nd consecutive year by area residents and customers.

Golden West Security, Inc., a leading provider of residential and commercial security services in North Los Angeles County and Santa Clarita Valley since 1969, was named Santa Clarita Valley’s ‘2016 Best of Security’ for the 2nd consecutive year by area residents and customers. Golden West received the most votes through an online voting process managed by The Signal Newspaper. Ralph Santarelli, President of Golden West Security commented, “It’s an honor to be recognized by the Santa Clarita community for our service performance. I want to thank our customers for their support and acknowledge all the dedicated employees at Golden West Security whose commitment to customer satisfaction and service excellence made this award possible.”

Each year the Santa Clarita newspaper, The Signal, polls its readership to rank companies in a variety of service and product sectors including Professional Categories, Service Categories, Dining and Entertainment and Health and Fitness. Golden West Security currently performs security services in the Santa Clarita area that include standing guard, patrol, alarm response, alarm and camera installations and monitoring. Golden West Security has one of the fastest alarm response times in the industry responding on average in under 15 minutes.

About Golden West Security, Inc.: Golden West Security was established in 1969 to provide professional, quality Security Officers for commercial and residential customers. Golden West Security’s array of services include Armed/Unarmed Security; Onsite Security Guards, Patrol Service, Alarm Response, and On-Call Response, Security Assessments, Alarm/CCTV Systems Installation and Surveillance Monitoring. Golden West Security leverages emerging security technologies to improve service, reduce costs, enhance safety and create a more efficient service for customers at the lowest possible delivered cost. Officers receive extensive training and undergo thorough background checks ensuring our services are executed by the best possible security professionals in the business. Golden Patrol and Onsite Officers are managed by a team of 24/7 Field Supervisors and one of the industry’s only 24 hours command centers, both important features that differentiate Golden West Security in the private security market.
